

# UNIVERSITY OF BALOCHISTAN, QUETTA

## Faculty Training & Development Centre

**Dr. Hamid Ali Baloch**  
Chairman, FTDC

Ref: FTDC/No/235

Date: 23/06/2023

To,

The Deans /Directors/Heads of the Departments,  
University of Balochistan, Quetta.

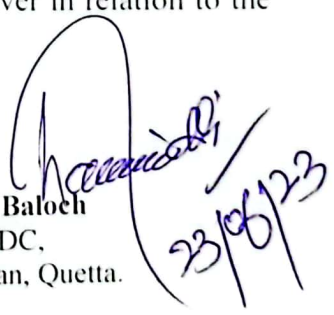

**Subject: Training Course on Productivity Measurement for Digitalized SMEs by Republic of Korea and APO Secretariat, Japan. International Scholarship Program (Online Multicounty Training).**

Reference to the letter No. AIC / 10-3(2)/ NPOMIP / 2019 / HEC/ 611, the undersigned has been directed to refer the letter from NPO Ministry of Industries & Production regarding the subject cited above.

The National Productivity Organization (NPO) in collaboration with Asian Productivity Organization (APO), Japan has announced opportunities for Pakistani citizens for the program: **Training Course on Productivity Measurement for Digitalized SMEs**. This program is scheduled to take place virtually from **August 1st to August 4, 2023**. Comprehensive information regarding the requisite documents, application procedure, and pertinent financial aspects of the workshop can be found in the enclosed document. **To apply, interested individuals are advised to download the necessary documents, including the bio-data Form, nomination Letter sample, instruction circular, and project notification, from the NPO's official website: <https://npo.gov.pk/apo/>.**

In light of the aforementioned, I request the faculty members and researchers who express interest in the said training program to directly submit the necessary documents to the National Productivity Organization (NPO) prior to the designated deadline. It is important to note that the Higher Education Commission assumes no financial responsibility whatsoever in relation to the aforementioned matter.

With best regards,

  
Dr. Hamid Ali Baloch  
Chairman, FTDC,  
University of Balochistan, Quetta.
