M Phil: English Literature And Linguistics

University Of Balochistan - University Of Balochistan,
Sariab Road, Qta, Pakis

Developed advanced skills in literary analysis, critically examining a wide range of literary texts and linguistic phenomena. Specialized coursework provided a deep understanding of literary theories and linguistic frameworks, enhancing the ability to dissect and interpret complex literary and linguistic nuances.

□ Acquired a strong foundation in research methodologies, including qualitative and quantitative approaches, contributing to the successful completion of a comprehensive research thesis. The M.Phil program instilled the capacity to conduct independent, original research in English Literature and Linguistics.

□ Explored interdisciplinary connections between literature and linguistics, gaining insights into how linguistic principles influence literary expression and vice versa. The program fostered a holistic perspective, allowing for a nuanced understanding of the intricate relationship between language and literature.

2010-03 -
2011-04

M.A: English Literature

University Of Balochistan - University Of Balochistan,
Sariab Road, Quetta, Ba

- Completed professional development in English Literature

- Continuing education in English Literature
- Developed advanced skills in literary analysis, enabling a deep understanding of various literary genres, periods, and cultural contexts. Studied and critically evaluated works of renowned authors, fostering an appreciation for the diversity of literary expression.
- Explored the cultural and historical dimensions that shape literary works, gaining a contextual understanding of literature's role in reflecting and influencing societies. This program equipped me with a nuanced perspective on the interconnectedness of literature with broader cultural and historical narratives.
