### Abstract:

*In Pashto literature Ghani Khan has been a personality with versatile attributes. His life has got different aspects. Some where he is known as politician, counselor, poet, writer and a knowledgeable personality, where as some where he is known as historian, engineer, land lord and a kind father. However his life has got some other aspects where he has entirely examined his God gifted abilities and skills. Thus in this research paper Ghani Khan's art of painting, sculpture, art of music and the individuality and skill there in and also his interest to all these have been logically discussed. As a poet and writer Ghani Khan's personality is not indigent to any words / introduction, but being a painter, sculptor and musician, very less people are aware of his artistic attributes. Besides all these, in this research paper Ghani Khan's artistic attributes and other characteristics have been disclosed.*

**Key words:** Pashto literature, Ghani Khan, poet, painter, sculpture, musician
