Abstract:

Abdur Rahim Majzoob is a reputed Pashto poet of modern age. His uniqueness in style and diction is recognized. His poetry possesses a variety of thoughts. His vast literature study and digestive knowledge adds another feather to his hat. One of the important aspects of his poetry is bringing the Greek allusions artistically in his poetry. In this regard his study of Greek literature, history, mythology, culture etc is appreciated. This dimension of his poetry makes him remarkable. This research paper deals with the same Greek allusions and mythology in his poetry.

Key words: Culture, Greeks Allusions, Poetry, Mythology, Abdur Rahim Majzoob
